REMINDERS

- As you can see from this calendar, May is a VERY busy month. Please check your child's agenda on a nightly basis for reminders and updates.
- The afternoons have been warming up but it is still quite chilly in the mornings before school and at first recess. Please remind your child to bring a coat to school every day.
- With the start of May, comes the start of some very hard work in Grade 2. The end of the year is approaching quickly and we are beginning to prepare students for next year. It is very important to continue to read and practice sight words and spelling words on a nightly basis!
- Library books must be returned every Thursday morning.
- Our school does not keep change on hand. Please try to have exact change for hot lunch orders, book orders, etc. Please do not combine different orders as the money often needs to go to different places. Thank you for understanding. **Children's Festival payment can be made online!**
- **We do not have any more spoons in our classroom.** If your child needs a spoon please send one from home or send a pack that they can keep in their cubby. Thank you.
- **I will no longer be replying to Remind/text messages.** If you wish to contact me, please do so via e-mail at megan.cote@ngps.ca or by calling me at the school (780)778-6266 during regular school hours. Thank you for understanding.
