## Benson Grade 2

Pat Hardy Primary School

<http://pathardy.ca/>

**T**he last two months are going to fly by!

Between all the events that will be going on and getting year end assessments and projects finished up we are going to be busy!

### **Classroom Volunteers**

Thank you again to all our amazing volunteers. I sincerely appreciate each and every one of you for all that you have done for us. We would not be able to do all of the great activities that we do without you. With that being said, the months of May and June will have a great deal more volunteer spots to be filled 😊

### **Language Arts**

We have been continuing to focus on group editing. I love watching the children talk about their work together and learn from each other. Many of them are very proud to share their stories with their friends!

### **Home Reading**

Please continue to read with your children each night. We will be doing one more round of Benchmarking in the near future. Please ensure that you are practicing the sight words also as they are expected to know the first **400** by the end of June.

### **Math**

We have been doing some exciting stuff in Math! Many of the children are doing very well with addition and subtraction of two digit numbers and are really starting to grasp how numbers work. I am so proud of how much they've grown!

Please feel free to phone, or e-mail me to discuss your child's progress or any concerns that you may have at any time. Your input and assistance benefits your child and is greatly appreciated.

Your child's teacher,

Mrs. Amanda Benson

**\*Please send in toilet paper rolls and cardboard egg cartons if you have them! Please send them in by May 8<sup>th</sup> if possible!**
