

May 2017

Monday/Wednesday am – 3 year old
phpreschool1@gmail.com

This is our final month of preschool. I have really enjoying discovering and exploring in preschool with your child this year. Thank you to all of the parents who joined us for our spring walk earlier this month. I'm glad we went when we did. Hopefully the weather will start cooperating with us for all of the outdoor activities we have planned for May!

We will be wrapping up our year with an ocean theme this month.

May 10th we will be having a **pirate day**.
Dress up in your best pirate attire.

We are going to be holding a **thank you picnic** on **May 15th** to thank all of the parents, grandparent, aunts and uncles who have come to help in our class. Come join us at **10:30** for an outdoor snack. Please bring your own blanket to share with your child and extra food for you as well. I will have blankets for the kids who will not have parents coming so I will be able to picnic with them. We will be meeting outside the school on the right hand side when you are facing the school, between the 2 side doors.

May 24th is our last day of school and we are going on a field trip to Rotary Park. We will require 2 parents to join us that day. More are welcome to come and join us at the park as well, including siblings. We will leave the school at 9:15 and arrive back at 10:45, which means we will be at Rotary park from 9:30-10:30. I will have my clipboard with me if you would like to take your child home right from the park.

Star Student is now finished. I ask that we leave all toys at home or in backpacks now. Thank you!

Remember to send **an extra pair of clothes** in your child's backpack every day in case of an accident, a mishap at the water station, or getting wet playing outside.

Mrs. Layton

May Birthdays

May 6 Aubree

And Happy Birthday to Brooklyn and Mackenzie who have birthdays in June!
